If you feel called to be a spiritual leader of an exciting, progressive and energetic midtown parish that embodies "walking the talk" of Christian beliefs, then St. Stephen's Anglican Church, Calgary, is the place for you. This is a parish blessed by two successive long-term ministries of 16 and 20 years, and we are looking now for another Incumbent to continue our open and caring engagement with the local community and the wider world.

Calgary is an energetic and diverse city, boasting world class restaurants, sporting venues and cultural offerings, all within easy driving distance of the Rocky Mountains and the wonders of Banff National and Peter Lougheed Provincial Parks, among others. In 2019 Calgary was ranked as the 5th most livable city in the world based upon affordability and quality of life.

The church that began the ministry of Inn from the Cold in Calgary, St. Stephen's is wholeheartedly engaged with the community as a prized venue for the performing arts, a provider of meeting space and artists' studios, a warm, welcoming and inclusive place that hums with activity throughout the week. Visit us at [www.ststephenyyc.com](http://www.ststephenyyc.com)

Currently our energies are directed to our Open Doors II project, a bold, collaborative re-development of the church property to create a social enterprise comprised of affordable housing and a community hub.

We are a diverse, spiritually mature, cohesive group; here are some of us chatting about St. Stephen's; <https://vimeo.com/415013461>  
We expect you are a person with considerable life and ministry experience.

Supporting you in your leadership is a staff of seven, part and full time, including a Deacon, Music Director, and administrative, communications and program personnel.

If your interest is piqued by our parish profile [www.ststephenyyc.com/parish-profile](http://www.ststephenyyc.com/parish-profile) please submit your application to BOTH:
